DANCEFEST 2015 PRESENTED BY

THE DEPARTMENT
OF
PHYSICAL EDUCATION

THURSDAY, MAY 7, 2015

AFTERNOON

CARLING HEIGHTS OPTIMIST COMMUNITY CENTRE

Today is an opportunity, through dance, music and art, to become totally immersed in dancing. Dancing is a most enjoyable vehicle for developing an interest in and an understanding of other cultures of nations. Let us share "dance ideas" with one another, learn some new dances through both observation and participation, and meet new friends. Thank you for attending and enjoy!

DANCE FEST

PRIMARY — JUNIOR — INTERMEDIATE

Dance Fest is an opportunity for teachers and their students to share and celebrate dancing.

Dance Fest is not a competitive situation, but rather an opportunity for an entire class of children to participate in a function designed to provide an extension to the dance taught in the instructional program. Dance Fest serves as a vehicle through which “dance ideas” can be shared in an atmosphere of joy and celebration. There is also an opportunity to integrate the Physical Education Curriculum with the Arts Curriculum.
